

National Center for Welding Education and Training

Corporate Sponsorship Opportunity On Board the Mobile Welder Training Center

The National Center for Welding Education and Training (Weld-Ed), in partnership with Lorain County Community College, invites your company to an exclusive sponsorship opportunity on the "Mobile Welder Training Center," a 48-foot self-contained trailer equipped with eight state-of-the-art welding stations that will offer on-site customized training to manufacturers, fabricating operations and metalworking companies throughout northern Ohio.

This highly-visible on-site training vehicle offers welding suppliers an excellent opportunity to partner with Weld-Ed and LCCC to gain brand exposure as the trailer travels throughout northern Ohio providing training at industrial sites and participating in manufacturing events and trade-related exhibits.

THE OPPORTUNITY

A 5-year placement on the Mobile Welder Training Center

BENEFITS OF SPONSORSHIP

1. Logo placement on one 8' wide cargo panel or 9' tall interior door panel
2. We'll display your company's collateral at the trade events where the trailer will be exhibiting
3. Your logo included on Weld-Ed t-shirts handed out to training participants and visitors to the trailer at manufacturing events
4. Branding on www.WeldEdTraining.com with a link to your company's website
5. Inclusion on all trailer-related promotions and publicity
6. Invite to the Mobile Welder Training Center official roll-out event (October)
7. Special "thank-you" model display trailer

THE INVESTMENT
